

**STATEMENT OF CANDIDATE FOR
LASSEN UNION HIGH SCHOOL, GOVERNING BOARD MEMBER**

SKIP JONES

Education and Qualifications:

I am seeking the position of the Lassen Union High School Board of Trustees. As a Trustee, I believe that it is important to establish educational goals that will help shape the future of our community and society.

I will base my decision to benefit today's students and future generations through collaboration of surrounding area schools; bringing quality education for **all** students to achieve individual success and become productive members of society. Through broad-based curriculums and fiscal integrity, we can educate and prepare our students to compete in an ever-changing market.

I am a fifth generation Lassen County resident and a third generation Lassen High School graduate. My experience of serving 8 years as a Johnstonville School Trustee along with my strong business skills as a contractor/designer, coupled with my personal desire to provide the highest educational opportunities for **all** students, is my commitment to "give back" to the community that educated me.

I am committed to providing a supportive educational atmosphere in which teachers challenge the intellectual, creative, and physical abilities of our students and foster strength of character and concern for others while working with fellow Trustees.

I would appreciate your vote on Election Day.

Vote - Skip Jones

Thank you for your support.
